Assessor's Parcel Number _____

I am an owner of property in San Luis Obispo County which suffered substantial damage as the result of a Governor-proclaimed disaster. I pay my property taxes directly, and not through an impound account. I have also filed an Application for Reassessment of Property Damaged by Misfortune or Calamity.

(Please check the appropriate box below)

I live on the property, am eligible for the Homeowner's Exemption, and my property has suffered damage amounting to a least 10% of its fair market value or \$10,000, whichever is less.

-or-

I own other property which has suffered damage of at least 20% of its fair market value due to the disaster.

NOTICE: I understand that if the Assessor determines my property does not qualify as being substantially damaged as defined in Revenue & Taxation Code Sec. 194.1 and my property tax payment has been deferred per this request, I may be charged delinquent penalties and interest by the San Luis Obispo County Tax Collector.

I have read and understand the above information concerning eligibility for requesting deferral of my property tax payment. I believe that I meet the above requirements and hereby apply for deferral of my property tax payment until no later than 30 days after I receive a corrected tax bill, or supplemental refund, for my damaged property.
