

**STATEMENT OF CANDIDATE FOR
DIRECTOR
Heritage Ranch Community Services District**

GILBERT L. HAYDEN
Occupation: Realtor/Contractor

Age: 62

Education and Qualifications: I am 62 years old, married for over 25 years, with a son and a daughter. I have lived in Paso Robles since 1980. I graduated from Carlsbad High School and majored in college in business administration and minored in marketing.

I have been employed as plant manager, general manager, engineer, production manager and company director for a major solar company.

I am a licensed general and landscape contractor and am currently a realtor with Lakenacimiento.com Realty.

In the past four years as President for Heritage Ranch Homeowners Association, I have worked with many people on many issues, which has given me education and experience that have been very rewarding. I have met many outstanding people in our community whom I look forward to continuing to work with. I enjoy a challenge and look forward to continuing to serve our village community.

s/ Gilbert Hayden

**STATEMENT OF CANDIDATE FOR
DIRECTOR
Heritage Ranch Community Services District**

DENNIS MACK
Occupation: Businessman

Age: 51

Education and Qualifications: Past Corporate President of a small business in Southern California. Past member of Heritage Village Church Board of Directors. Past Exalted Ruler of Paso Robles Elks #2364. Small business owner since 1986. Heritage Ranch homeowner since 1996. I consider myself a team player with common sense and a conservative attitude. I feel that it is a civic duty to step forward and help your community whenever you can. This is why I'm running for Director of the Heritage Ranch C.S.D. Thank You for your support.

s/ Dennis Mack

**STATEMENT OF CANDIDATE FOR
DIRECTOR
Heritage Ranch Community Services District**

RICHARD L. MAYNARD
Occupation: Retired United States Air Force and Computer Business

Age: 58

Education and Qualifications: I retired from both careers at age 50, eight years ago. I have lived at Heritage Ranch for 10 years. The 20 years spent in the military allowed me the educational experience that comes from travel to South East Asia, living in Europe, as well as many U.S. locations.

In my employment I have worked on all types of military aircraft, like the F-15 Eagle, and spent 12 years teaching Tele-commutations/Computer networking repair.

I have owned my own business selling/repairing/renting/teaching/applications for computers.

I sat on the Heritage Ranch Homeowners Association board of directors for two terms as the Vice President and the Chairman of the Architectural Environmental Control Committee, of which I am still an active member. During this time, I was active in implementing a community web site, a participant on the Finance Committee and helped with the Memorial Walkway at our lovely new park. The education and experience from this taught me a great deal about community ties, problem solving and working to help others.

s/ Richard Maynard
