

**County Disclaimer:**

Neither San Luis Obispo County (County) staff nor the member (or alternate member) appointed by the County to the Paso Basin Cooperative Committee (Committee) is independently responsible for setting the agenda of meetings of the Committee, and the role of County staff is limited to providing administrative support to the Committee, including preparation and posting of agenda materials. Thus, neither the preparation nor posting of any Committee agenda by County shall be construed as an endorsement by County of any of the recommendations included therein or any materials posted therewith. Without limiting the foregoing, all workshops related to the development of the groundwater sustainability plan have been placed on the agenda at the request of the consultant retained by the City of Paso Robles and all opinions expressed by said consultant or other speakers during said workshop are their own and do not necessarily reflect the views or opinions of the County or County staff.
