

How To Filter / Sort A Client's Problem List

1. You must first have the client open, then click the Search icon.
2. Type Problem into the search bar.
3. Click to select Client Clinical Problems (Client).

How To Filter / Sort A Client's Problem List

4. In the CDAG Program Enrollment window pop-up, click the drop down and click to select the appropriate program.
5. Click OK to continue.

How To Filter / Sort A Client's Problem List

- 6. This takes you to the Client Clinical Problems list page.
 - a. Use the filters at the top to find what you're looking for.
 - b. Start Date is required.
 - c. After entering in your filters, you'll need to click "Apply Filter".

The screenshot shows a web application interface for "Client Clinical Problems (8)". At the top, there is a toolbar with icons for search, favorites, download, print, settings, and window management. Below the toolbar is a filter section with the following fields: "Start Date" (set to 01/01/2023), "End Date" (empty), "Program" (set to All Programs), "Include Past Problems" (checkbox), "SNOMED Description" (empty), "ICD 10 Code" (empty), and "Staff" (empty). An "Apply Filter" button is located to the right of the filter fields. A table below the filter section displays a list of clinical problems with columns for SNOMED Description, SNOMED CT Code, ICD 10 Code, Start Date, End Date, and Program. Annotations 'a', 'b', and 'c' are placed on the interface: 'a' is on the toolbar, 'b' is on the SNOMED Description filter field, and 'c' is on the Apply Filter button.
