- **Conclusion**

The MHSA provides San Luis Obispo County:

- Funding, personnel, and other resources
- Supportive programs for underserved populations
- Best practices and innovative approaches
- Prevention, early intervention, treatment, and recovery
- Community partnerships and stakeholder engagement

MHSA Advisory Committee

- **MHSA Advisory Committee Introductions**
- **Staff Introductions**

- This is a somewhat informal meeting with all attendees welcome to comment, ask questions, make suggestions, etc.
- MHSA planning requires stakeholder involvement to guide and advise plans.
- Today's meeting will update the MHSA oversight group (including original and new members) as to the implementation of the most current work plan.
- We will also provide information on work plan changes, and introduce new funding initiatives, for discussion and approval.
- We will use consensus-based decision making.

Behavioral Health Coronavirus Updates

SLO Behavioral Health is concerned about your physical health as well as your behavioral health.

While we are experiencing a public health emergency, we would like to reassure you that we will continue to provide you with behavioral health care in the safest way possible.

Please read the following information below so you know how to continue to receive services during this event.

We will continue to keep up to date on communications to ensure the people we serve and those who serve them are informed with the most current and accurate information. We thank you for ensuring your health and the health of others at this time. We are encouraging all clients to stay calm, and reach out to their provider if needed.

Please also consider using the following resources:

- If you are in crisis, please call the [SLO Hotline](#) at (800)783-0607. You may also call the [National Suicide Prevention Lifeline](#) at 1-800-273-8255 or text HELLO to 741-741.
- To begin behavioral health services, please call the access line at (800) 838-1381.
- Visit www.ReadySLO.org for the latest public health updates and recommendations or call the SLO Public Health information line at (805) 788-2903.
