Questions to consider for next meeting:

What kind of tool is of value to your municipality/watershed?

Are there specific projects you would like to see implemented in your area?

How to engage stakeholders in your area?

San Luis Obispo County Stormwater Resource Plan (SWRP)
Technical Advisory Committee (TAC) Roles and Responsibilities, Affiliations

The Technical Advisory Committee (TAC) will be established for the development of the county-wide SWRP and includes the State Water Resources Control Board (SWRCB), Central Coast Regional Water Quality Control Board (CCRWQCB), and interested parties such as municipalities, water suppliers, local agencies, non-governmental organizations, public utilities, and regulatory agencies.

List of TAC Members	Affiliations
Kelley List	State Water Resource Control Board (SWRCB)
Lucas Sharkey	Central Coast Regional Water Quality Control Board (CCRWQCB)
Larissa Clarke	Coastal San Luis Resource Conservation District (CSLRCD)
Damaris Hanson	City of Morro Bay
David LaCaro	City of Paso Robles
Ron Munds	County of San Luis Obispo
Devin Best	Upper Salinas Las Tablas Resource Conservation District (USLTRCD)
Robin Dickerson	City of Arroyo Grande
Willy Cunha	Shandon-San Juan Water District
George Kendall	USLTRCD

Member	Role	Responsibilities
SWRCB & CCRQWCB Representatives	Advisory	Provides regulatory agency guidance at TAC meetings, provides technical assistance and reports, reviews FE-SWRP documents
Project Management Team Member	Contributor	Coordinates and facilitates meetings, circulates FE-SWRP documents/reports/updates to TAC
TAC Area Lead	Coordinator	Lead planning effort and bring results and recommendations to TAC, provide technical assistance, provide feedback on documents throughout process, tasked with developing the list of Area Advisors and Stakeholders within their TAC Area and coordinating meetings within each TAC Area
TAC Area Advisor	Advisory	Contribute to the development of the FE-SWRP as technical experts or community leaders in TAC area watershed/municipality

Participation required:

- Consistently attend meetings
 - 1 kick-off meeting + 3 additional meetings (January-August 2018)
- Review and contribute to development of SWRP

TAC Meeting material circulation lead times:

- 1 month for scheduling meetings
- 3 days for agendas
- 1 week for meeting summaries
- 2 weeks for document drafts

Decision making process:

- Will be adaptive and dictated by topic/task per meeting
- Methods include-
 - Consensus seeking
 - Iterative process (e.g. track changes on a Word doc.)

San Luis Obispo County Stormwater Resource Plan (SWRP)
